- ▶ Bellringer is a total performance sire.
- ▶ His total data profile is breed-leading,
- ▶ Paul Bennett said, "He rung the big bell for everything we measured. We rarely achieve his level of calving ease, individual performance and scan record."
- ▶ From calving ease, performance, maternal traits and carcass merit, he ranks at or near the top of the breed.
- ▶ His young dam is one of the most valued cows in the KCF program.

- ▶ Warrior was one of the highest performing and high selling bulls of the 2013 Midland Bull Test.
- ▶ At Midland, he had an ADG ratio of 118 and an MBT Index of 108 to go along with ratios of 111 for WW and 109 for YW.
- ▶ He is flawless in his phenotype. He's wide based, deep ribbed, clean sheathed and big scrotaled.
- ▶ Study his data: from calving ease to performance, maternal to carcass merit and all of his selection indexes, few bulls can match his combination.

- ▶ Blueprint is the prototype for the next generation of Red Angus sires.
- ▶ He puts all of the right parts in the right places, including ten traits in the top one-third of the breed or higher.
- ▶ He combines calving ease with superior performance.
- ▶ Ranks at the top of the breed for both marbling and ribeye area.
- ▶ His dam is royally bred, stacking calving ease, maternal and carcass leaders Big Sky and Major League with the cow power of the dam of Jackhammer.
